SURGERY**

6-7-8
OCTOBER 2025

Course Director: Prof. Giuseppe Mercante
Honorary President: Prof. Giuseppe Spriano
Department of Otorhinolaryngology - Head and Neck Surgery

Course presentation

Courses are very practical and centered upon the active participation of trainees during surgery. The Ear Surgery course will include endoscopic training in the Simulation Lab. Maximum number of participants is set to 8 people to each course, distributed in two operating theaters. The courses are enriched with theoretical lessons held by different specialists involved in the care of ENT H&N patients.
